Docket No. 98N-1265
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Madison Pharmacy is at least
15 years ahead of the standard medical
community. I wasted hundreds of
dollars & countless hours searching M.D.'s that
could (A) Diagnose my condition (Severe PMS) +
(B) Know what to prescribe + (C) Find someone
that would compound the prescription. I'd
have been insane by now if I had not
found Madison Pharmacy in Wisconsin (or
in Arizona) to help me.
